

How to get involved

There are lots of ways you can help support the school.

Our meetings are a mixture of in person at the school and online using Microsoft Teams.

For more information, please contact:

Ms L Lees (Depute Headteacher), either by calling the school on **01896 849282** or by emailing:

earlstonhs@scotborders.gov.uk

You can also contact the Parent Council by emailing:

earlstonparentcouncil@outlook.com

You can also find us on Facebook.

Who We Are

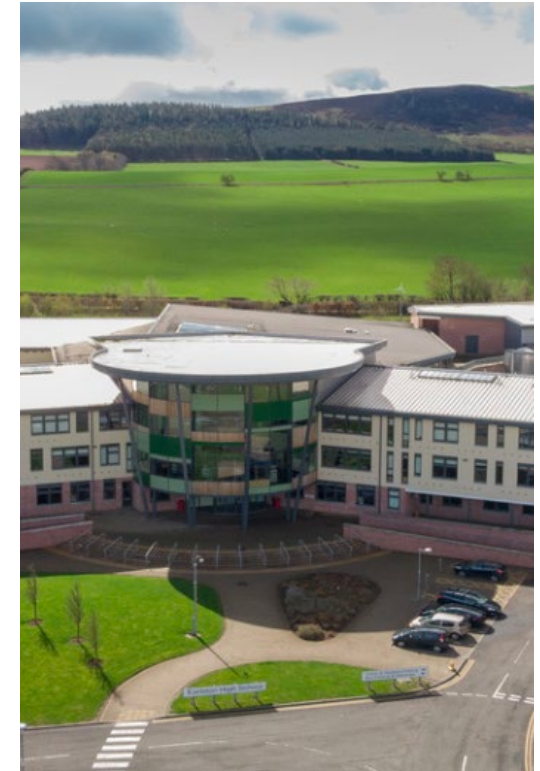

About Us

Earlston High School Parent Council is here to represent the views of parents and carers of pupils at Earlston High School. Our aim is to enhance the positive working partnership between the school, parents, carers and pupils.

We work closely with the school, Scottish Borders Council, the local community and third party organisations to help maximise the experience of every pupil at Earlston High School.

We are all volunteers and manage our involvement around work and family commitments. Above all, we are passionate about helping the school to help our young people be the very best they can be!

What kinds of things do we help with?

Here are a few examples...

- We are working closely with Scottish Borders Council and other Parent Councils across the Borders on a wide range of issues including improving mental health and well-being
- We also help run school events such as Burns Night Celebrations, fashion shows, Curry and Quiz nights, Careers Days, Afternoon Teas and Raffles
- We support the school with it's self-evaluation and planning for school improvement

What is the money we fundraise spent on?

The funds we raise go towards benefitting the pupils and the school, including: -

- Sports equipment and clothing
- Computers and extra books
- Study areas
- Equitable access to trips and uniform for all young people
- Christmas thank you cards to all teachers and staff
- Contributions to new groups to support young people

Earlston High School Your School Lottery Fund

You have the chance to win up to £25,000 for a winning ticket in the National weekly draw, as well as the chance to win smaller prizes in the Earlston High School weekly draw.

We aim to use 50% of the lottery funds to support Earlston High School Foundation, which supports pupils who are experiencing financial difficulties. The remaining 50% provides extra resources for all pupils, as well as helping to run extracurricular activities and improving the school environment.
