

## **Children in Need**

On Friday 15<sup>th</sup> November, Earlston High School held a non-uniform day in aid of Children in Need. Many of our senior students made a particular effort to come dressed in Pudsy-themed gear. A bake sale was held thanks to the home cooking of our S4 students. All proceeds from the day were donated to the school's nominated charities and Children in Need.

## Inspire Learning

Earlston High School was the 4<sup>th</sup> and largest school so far to go through deployment of pupil iPads. Throughout the whole week the Inspire Learning team have been working round the clock to ensure all our pupils receive their iPads. Pupils attended a fun-filled and exciting session to receive and set up their iPads. We also had a very special visit from Doug Beck, Vice President, Americas and Northeast Asia for Apple. He took time to speak with some of our pupils, staff and our Digital Ambassadors. We would like to say a huge thank you to the Inspire Learning team for all their hard work and for helping our pupils.

## **Art Exhibition**

On November 19<sup>th</sup> and 20<sup>th</sup>, the Art and Design department held its annual Art Exhibition. This displays some of the work of our National 5, Higher and Advanced Higher students' portfolio work from the previous year. It was great to see so many member of the community come along to take in some of the outstanding artistic talent we have here at EHS. Our pupils also had the opportunity to visit the exhibition during the school day. Miss MacBeth's class decided to experiment with their new iPads to create visual tours of the exhibition.
