

Table Tennis

Congratulations to Hannah McDonell in S2 who continues her excellent form, winning the under 14 girls event at the Edinburgh Open Table Tennis Championships. She also took the title in the under 14 girls event at the Edinburgh Schools Championships on Saturday 25th January. Hannah has now qualified to compete in the Scottish Schools Tournament and has a chance to secure another cap for her country.

Heptathlon

Well done and thank you to all our pupils who competed the Giant Heptathlon event at Galashiels Academy on Friday 24th January.

Earlston High School finished in third place behind strong teams from the host school (2nd) and Peebles HS (1st). Credit must be given to everyone for competing in such a positive spirit and displaying the school values throughout the afternoon! Well done everyone and a big thank you to Gemma Ross (Active Schools) and Mr Kennedy (Edinburgh University PE Student) for going along to help organise and support the team.

S1 Careers in Health Event

On Wednesday 29th January S1 pupils attended presentations and activities centred on careers in the health and care sector. Pupils heard talks from various clinical and non-clinical roles in the NHS including, GP, physiotherapy, paramedic, acupuncture, radiography, biological science, pharmacy, nursing and others. Pupils enjoyed the chance to ask questions and discover the benefits and challenges of working in these types of careers. The school wishes to thank all of the presenters from the NHS who took time out of their busy schedules to come and speak with our pupils.
