Notes for Completion

Please select your choices and a reserve for study in 2026/27.

Think carefully about your priorities – label 1, 2, 3, 4 etc. and choose a reserve. We always work hard to get pupils their choices, but we cannot guarantee them

- In S5 you **MUST** choose **5** subjects
- In S6, you **MUST** choose a minimum of 4 subjects OR 3 Advanced Highers OR 2 Advanced Highers and a Higher.

Remember, we can't change your choices until the new timetable comes out. The timetable is created from what YOU choose, so if you want to change, we can't guarantee this will happen.

We do try to get you what you want, so if you have any specific requests, have a chat with your guidance teacher. We can't promise, but we will try!

Your deadline is **Friday the 27th February**. If you miss the deadline, your choices will be considered last and you run a higher risk of not getting them. You will hand your choices in at school on that date.
