

How to use 'Show My Homework'

Show My Homework is an online planner on your ipad. You will use it to keep track of the work you have to do. Teachers will use it to let you and your parents/ carers what you have to do and what you've missed out.

1. Press the SMHW app on the ipad screen (you can also use the school website front page)
2. Click on 'Sign in with RM unify'
3. Enter your usual Glow login and password
4. You will then see HW assignments
5. Your teachers will continue to set work and give feedback using Microsoft TEAMS.

The image is a screenshot of the 'Show My Homework' login interface. At the top left, it says 'Login' and at the top right, there is a link for 'Forgot password?'. Below this are three tabs: 'Staff', 'Parent', and 'Student'. The 'Staff' tab is currently selected. Under the tabs, there is a text input field containing 'Selkirk High School'. Below that is another text input field with the placeholder text 'Enter email address or username'. The next field is for the password, with the placeholder 'Enter password' and a small eye icon to toggle visibility. A large blue 'Log in' button is positioned below the password field. Underneath the button, it says 'Or log in with:'. There are three options for social login: 'Sign in with Office 365' (with the Office 365 logo), 'Sign in with Google' (with the Google logo), and 'Sign in with RM Unify' (with the RM Unify logo).
